Enrollment Fee is a one-time fee charged per family at the time of enrollment or placement on wait-list.

Space Holding Fee

When space becomes available:

30% of tuition for 30 days

100% of tuition after 30 days

This fee is charged when a parent wishes to hold an available space without actually enrolling the child. e.g., a space opens up, but the parent is not ready to enroll their new baby and wants to wait one month. Paying the holding fee saves the spot for the child until they are ready to enroll.
